## EXPERIENCE & INVOLVEMENT

**Latinos In Tech at UNC**

*Outreach Chair*

**Jun 2025 - Present**

- Organize and lead social events that strengthen community engagement and member connection.
- Coordinate tabling efforts to engage with alumni, professors, and current students, expanding campus visibility.
- Build relationships with tech industry professionals to collaborate on professional development events.

*First-Year Representative*

**Nov 2024 - Jun 2025**

- Helped foster an inclusive and welcoming environment for all members and served as a liaison by ensuring clear communication and engagement between members and leadership.
- Collaborated with other university clubs to expand outreach and strengthen community involvement.
- Assisted with organizing events, workshops, and hackathons and promoted opportunities and resources in the tech field.

**Kessler Scholars Program at UNC**

*Student Intern*

**Jun 2025 - Present**

- Designed to support a selected cohort of first-generation college students through academic, social, and career guidance.
- Provided insights to improve engagement and foster a strong, supportive network among scholarship recipients.
- Collaborated with team members to organize community service initiatives.

*Student Advisory Board Member*

**Nov 2024 - Present**

- Designed to support a selected cohort of first-generation college students through academic, social, and career guidance.
- Provided insights to improve engagement and foster a strong, supportive network among scholarship recipients.
- Collaborated with team members to organize community service initiatives.

**Center For Student Success at UNC**

*Summer Bridge Peer Mentor*

**May 2025 - Aug 2025**

- Mentored a cohort of 5 first-year students, providing guidance and ongoing support to ease their transition into college life.
- Planned and executed community-building events, managing budgets and coordinating logistics to ensure smooth programming.
- Supported student growth in confidence, academic preparedness, and campus involvement through consistent mentorship and engagement.

---

## PERSONAL PROJECTS

**Personal Website**

Link - <https://opal.ils.unc.edu/~irv/task02c/index.html>

- Developed an accessible and structured personal website utilizing HTML and CSS.
- Demonstrated foundational web development skills by implementing clean and efficient HTML code.
- Showcased technical abilities by independently designing and deploying the site.

**To-Do List**

- Built a responsive to-do list application enabling users to add, remove, and manage tasks through an intuitive interface.
- Integrated Google Calendar to automatically import events, improving task organization and scheduling efficiency.
- Applied front-end development skills to design, code, and refine a functional project showcasing problem-solving and usability.
